Good afternoon,

It gives us great pleasure to welcome you to our newly named schools: Copper Valley Infant and Nursery Academy and Copper Valley Junior Academy!

We are incredibly proud of our two schools which have been known as 'Delaware Primary Academy' and Gunnislake Primary Academy'. With improved outcomes and a thirst for maintaining this arrangement, Copper Valley is emerging in Summer 2024. We thank our wonderful community for your involvement and support with this process, including choosing the name, based on the area being a world leader in copper mining in the 1800s.

At Copper Valley we work, in partnership with parents and carers, to offer pupils a high standard of education which will enable each child to reach their full potential. We aim to nurture the children in our care, providing them with a safe environment and stimulating learning opportunities where they can begin their journey of life-long learning.

We value each and every child as a unique, special individual. We nurture their talents and interests, and each member of staff prides themselves on the warm, respectful relationships they have with the children. We only have three rules at Copper Valley. Be kind. Be focused. Be respectful. What more do you need to be an amazing learner and human being!

Our learning environments are spacious and interactive. Pupils at Copper Valley are proud to share their learning with all stakeholders. We pride ourselves on the friendly happy atmosphere that we have created.

We begin the learning journey at Copper Valley Infant and Nursery Academy with children from the age of two who attend our beautiful nursery. In Year 3, they transfer to Copper Valley Junior Academy (but stay on the same site) until they reach Year 5, when they transition to our Upper Key Stage 2 base which is located further down the valley in Gunnislake village. This move gives pupils a calm, highly focused end to their Primary education and valuable experience of transition before they move on to Key Stage 3!

Thank you for talking to us about the uniform. We are funding your child's first Copper Valley sweatshirt and this will be with you before the end of term.

Our new websites will go live in September, so please find us at: www.coppervalleyinfantandnurseryacademy.co.uk and www.coppervalleyjunioracademy.co.uk. We are keeping the same phone number, so do not worry! New email addresses will be communicated in due course.

We are proud to have been a member of the Bridge Trust family of schools since December 2015 and actively embrace the Trust's values and motto of our Academies being 'Stronger Together'.

Lynn Cox and Sarah Sanson
