

17th July 2025

End of the Summer Term

Dear Parents and Carers,

As we approach the final few days of the Summer Term, I would like to extend my thanks for your continued support throughout the year. Whether it's helping your children to be prepared for school, ensuring they attend regularly, or supporting our many school activities, your efforts are appreciated. It all helps our schools to run smoothly.

Celebrating Success: Ofsted Inspections

It has been another full academic year. We are thrilled to report, six of our schools received positive Ofsted inspections, including a monitoring visit at Harrowbarrow, which joined the Trust last September. The following schools retained their GOOD ratings:

- Lanlivery
- Looe
- Darite
- Polperro
- Copper Valley Infant and Nursery
- We are especially proud of Polruan moving to a secure GOOD in January.

We have a dedicated staff team who have worked hard over the year to give your children the best opportunities they can. We also regularly receive positive comments regarding the conduct of the children during school visits – a true credit to you as parents and carers and a positive reflection on Bridge Schools.

Pupil Progress and Assessments

This year's formal assessments - EYFS, Year 1 Phonics Check, Year 2, Year 4 Multiplication Tables Check, and Year 6 SATs - indicate that children across the Trust are making expected progress. We can always improve but overall, we are pleased. We remain committed to helping every child to improve their performance.

Parent Survey

Thank you to everyone who completed the summer parent questionnaire. Your feedback is invaluable in helping us identify areas for further improvement. Results have been shared with all school heads and if you have requested a follow-up response, heads are working through these with the aim to complete by the end of next week.

Finance

Nationally, schools continue to face significant financial challenges due to reduced overall funding. Bridge Schools Trust remains in a sound financial position, with sufficient reserves to continue investing in buildings, technology and school resources. We've had to trim in-year budgets but are managing responsibly thanks to careful planning and teamwork with all our schools.

Investment in IT

Over the past year, we have significantly upgraded our IT infrastructure and hardware, particularly iPad provision. Small schools now benefit from 1:1 iPad devices, and larger schools from 1:2, which helps the children with their learning opportunities.

On Friday 6th June, our Trust-wide INSET day focused on digital learning practices. Staff were introduced to Showbie, a powerful platform designed to streamline learning, feedback, and collaboration. This enables children to record videos of their understanding and to replay feedback from staff to help them to iron out any misunderstanding in learning new concepts. Training will continue next term to deepen their understanding to enhance engagement and to further improve outcomes.

This initiative marks an exciting step forward in our ongoing commitment to harnessing technology to support high-quality teaching and learning across the Trust.

SEN

You will have seen in the media the escalating financial issues around supporting children with SEN (Special Educational Needs). The government has inherited a broken system for which they are considering some more radical solutions such as removing EHCPs (Educational Health Care Plans). Whatever the outcome of the review, we will continue to support all children within the resources we have available. Many children have individual need but don't have an EHCP, we still help them with their achievement. Please try not to become anxious about change, we will find a way to make the system work.

Collaborations

The children were able to enjoy several events over the year, meeting other children from within the Trust, where our schools came together to compete in a variety of sporting activities. A Trust Football Festival in the autumn term, followed by a Dodgeball Shoot Out in February, and Alternative Sports Day in April and most recently all the children enjoyed their Wimbledon themed Bridge Schools Games. Staff go above and beyond to make these events happen and give your children additional opportunities, we are grateful to everyone involved. Again, the children modelled excellent behaviour.

This summer Polperro Primary received exciting news that they had been named one of just two recipients of the prestigious Orwell Society School Award for 2024 - 2025. This exceptional recognition celebrates a creative and thoughtful educational project inspired by George Orwell's deep love of nature - an interest that took root during his childhood holidays in Polperro.

Led by Headteacher Anthea Hillman, and a wonderfully dedicated team, the school launched a nature-focused initiative that brought Orwell's passion for the natural world to life in extraordinary ways for the children.

[Click here to read more about this exciting project.](#) We are incredibly proud of Polperro Primary's achievement. Congratulations to everyone involved.

Farewells and Best Wishes

Year 6 – Class of '25

To our Year 6 pupils, we really hope your final year in primary school has been memorable and enriching. We hope you have learned all you need; we wish you all the very best as you move on to secondary school. Keep striving and remember your time with us fondly.

We also say goodbye to staff members leaving at the end of this term and wish them every success in their future endeavours.

Team

We are incredibly fortunate to have such a dedicated team of staff across Bridge Schools. Their commitment to provide the very best opportunities for your children is extraordinary. I would like to thank them for their dedication and enthusiasm to achieve great things for all the children in our schools. Governors, trustees and members have also given a great deal of time voluntarily again this year, providing challenge and support. My thanks also go to them. And finally, my greatest accolades as ever go to the children. They have navigated their way through another academic year, with resilience and energy, showing their creativity in their ability to succeed.

Term Dates

Please note:

- **The summer term ends on Tuesday 22nd July (INSET Day: Wednesday 23rd July)**
- Whole Trust INSET Day: Wednesday 3rd September (**Autumn term begins: Thursday 4th September**)

In the meantime, I hope that you have enjoyed the school summer events over the last few weeks and thank you for your continued support. Wishing you all a relaxing and enjoyable summer break. We look forward to welcoming the children back to school on Thursday 4th September.

With all good wishes,
Adrian Massey and everyone at Bridge Schools.

We're all going on a summer holiday!

Please find below some resources that may be useful to you over the summer break

Children eat free or at a reduced price

Time2Move

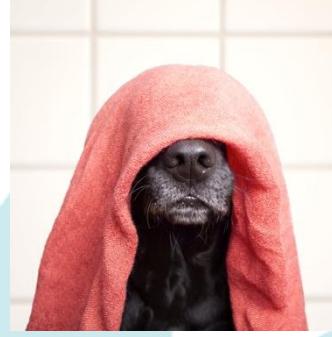

The Time2Move Holiday Programme provides fun physical activity and healthy food for children aged between 5 and 16 years old during the school holidays in Cornwall.

The programme is fully funded by the Department for Education and is for children that are eligible for benefits related free school meals. It is known nationally as the Holiday Activities and Food Programme.

Here you'll find everything you need to know – whether you're a parent or carer, looking to book a session or request SEND support; or an activity provider, looking to register for the programme.

Lots of information is available on the Family Information Service should you need any help over the break.

You can find the link [here](#) This includes support on housing, food and other such services.

If you are looking for SEND (Special Educational Needs and Disabilities) activities and services, you can contact the local authority on 0800 587 8191 or click [here](#).

New SEND Discount Card

The Family Information Service is excited to announce a brand-new SEND Discount Card launching soon for children and young people in Cornwall with special educational needs or disabilities (SEND). The card will give families access to exclusive discounts and offers from inclusive local businesses – helping make everyday experiences more accessible and affordable.

The name of the card is currently being chosen with the help of the Parent Carer Panel and wider community – and we'll keep you updated as it develops!

letstalk.cornwall.gov.uk/caring

Caring in Cornwall - your views matter

Whether you're caring for a family member full-time, helping a neighbour with shopping and cleaning, or anything in between, we would like to hear about your experiences.

Our aim is to ensure that we are co-designing services with the people who need them, so everyone can access the right support, in the right place, at the right time.

Your feedback is crucial in shaping the future of carer services. By sharing your thoughts, you can help us create better support for everyone. Please provide your feedback by 31 August 2025.

Home to School Travel Assistance

If your child is attending school for the first time or transitioning to a new educational setting in September 2025, you may be eligible for Home to School Travel Assistance. If you wish to apply it is really important you do this ASAP. Applications that come in late in the summer term, may result in travel arrangements not being in place for the start of the Autumn Term.

[You can find further information here](#)

Cornwall Parent Carers Forum

The new Cornwall Parent Carer Forum website is now live.

It is a space made by parent carers for parent carers, with helpful information, updates, and ways to get involved or just feel a bit more connected.

Kooth

Kooth is an online platform to help young people with their mental health and wellbeing. It's a welcoming space for your child to safely explore their feelings. They can anonymously talk to other people their own age on moderated discussion forums, and chat to mental health professionals via messaging. We're a BACP-accredited digital mental health service, and provide free services through the NHS. Our team of professionals are trained to offer clinically-safe advice while lending a supportive ear for whatever your child's facing.

Kooth does not require a GP or school referral. There are no waiting lists or thresholds to meet. All your child needs to do is register with an anonymous username to get immediate access to support.

All of Kooth's services are free, and support is available 24/7, 365 days a year.

Kooth have created a range of resources to help families get to know the service and how, working with Kooth, can help support the young people. We run a regular calendar of free webinars for families to provide useful advice and guidance for families supporting young people with their mental health and wellbeing.

Booking a holiday for next year?

Please avoid booking when your child is at school.

Please see below Bridge Schools Term Dates for 2025/26, to help with planning time off, childcare and forthcoming family events.

Autumn School Term - 4th September to 19th December 2025

INSET 3rd September 2025, INSET 24th October 2025

Spring School Term – 6th January to 2nd April 2026

INSET 5th January 2026, INSET 13th February 2026

Summer Term – 20th April to 22nd July 2026

INSET 22nd May 2026, INSET 5th June 2026, INSET 23rd July 2026

Should an absence be unauthorised, we are likely to request that Cornwall Council issue a Penalty Notice. A Penalty Notice is issued to each liable parent/carer of each child taken out of school and that this carries a fine of £80 if paid within 21 days, increasing to £160 if paid within 28 days. If parents do not pay the fine, it may result in legal action being taken against me. Parents have a duty to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) and Section 444(1A) of the Education Act 1996.

This information has been shared with parents since July 2024 and is available on school websites ([reminder](#)).
